

Inside Sales

Innovative, cost effective ways to increase sales and drive brand awareness

Our Inside Sales and support services involve highly trained sales reps interacting with healthcare professionals via phone (tele-detailing) or a web-based platform (interactive e-detailing). These channels can be implemented at any stage of the product lifecycle to:

 <p>Manage vacancies to reduce lost selling time</p>	 <p>Capitalize on high market potential territories</p>
 <p>Amplify your existing field teams</p>	 <p>Pharmacy campaign support to reinforce product messages</p>

Core Inside Sales and Support Services

 <p>Interactive e-detailing</p>	 <p>Vacancy management</p>	 <p>Tele-detailing</p>
 <p>Stakeholder mapping</p>	 <p>Pharmacy campaign support</p>	 <p>Hybrid representatives</p>

Contact center partner of choice

Highly trained inside sales reps working across a broad range of therapy areas.

“Working with Ashfield’s Inside sales division over the past two years has been fantastic for my business, cost effective and driven demonstrable ROI. The new contact center is fantastic as well. Big advantage”
